GRIEVANCE PROCEDURE

1. DEFINITION

A grievance shall mean a formal complaint instituted by a teacher(s) or the Association to appeal (a) the interpretation of policies, this Agreement, and administrative decisions affecting him or them and/or (b) the application of policies, this Agreement and administrative decisions affecting him or her and/or (c) the violation of policies, this Agreement, and Administrative decisions affecting him or them.

AGGRIEVED PERSON

An aggrieved person is the teacher(s) or the Association making the formal complaint.

PURPOSE

The purpose of the grievance procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may arise from time to time affecting the terms and conditions of employment of teachers.

PROCEDURE

Level 1

1 - An aggrieved person who has a grievance shall so declare that he is aggrieved to his principal and shall discuss it first with his principal or immediate superior in an attempt to resolve the matter at that level.

Level 2

1 - If as a result of the discussion at Level 1, the grievance is not resolved to the satisfaction of the aggrieved person, within five (5) school days he shall set forth his grievance in writing to the principal.

2 - The principal shall communicate his decision on the grievance to the aggrieved person in writing within three (3) school days of receipt of the written grievance.

Level 3

1 - The aggrieved person, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the superintendent of schools. The appeal to the superintendent must be made in writing reciting the grievance submitted to the principal as specified in Level 2 and his dissatisfaction with the decision previously rendered.

2 - The superintendent shall attempt to resolve the matter as quickly as possible within a period not to exceed ten (10) school days. The superintendent shall communicate his decision with reasons in writing to the aggrieved person and the principal.

Level 4

1 - If the grievance is not resolved at Level 3 to the aggrieved person's satisfaction, the aggrieved person may request, no later than five (5) school days after receipt of the superintendent's decision, a review by the Board. This request shall be submitted in writing through the superintendent of schools, who shall attach all related papers and forward the request within five (5) school days from the date of request for review to the Board.

2 - The Board or a committee thereof, shall review the grievance, hold a hearing within fifteen (15) school days of receipt of the related papers with the aggrieved person if such is deemed necessary by the Board or if such is requested by the aggrieved person, and shall render a decision with reasons in writing within thirty (30) calendar days of receipt of the grievance by the Board or of the date of the hearing with the aggrieved person, whichever comes later. The Board shall communicate its written decision to the aggrieved person, the superintendent of schools, and to the principal.

Level 5

1 - If the aggrieved person is not satisfied with the disposition of his grievance at Level 4, he shall notify the Board in writing of his decision to submit his grievance to fact-finding for recommendations. Such notification must be made within fifteen (15) school days after the decision at Level 4.

2 - Within ten (10) school days after such written notice of submission to fact-finding for recommendations, the Board and the aggrieved person shall attempt to agree upon a mutually acceptable fact-finder and shall obtain a commitment from said fact-finder to serve. If the parties are unable to agree upon a fact-finder or to obtain such a commitment within the specified period, a request for a list of fact-finders may be made to P.E.R.C. by either party. The parties shall then be bound by the rules and procedures of P.E.R.C. in the selection of a fact-finder.

3 - The fact-finder so selected, shall confer with the representatives of the Board and the aggrieved person and hold hearings promptly and shall issue his recommendation not later than twenty (20) calendar days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The fact-finder's recommendation shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The fact-

finder shall be without power or authority to make any recommendation which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The recommendation of the fact-finder shall be submitted to the Board and the aggrieved person and shall not be binding on the parties. The fact-finder's report may be made public.

2. REPRESENTATION

1 - When an aggrieved person is a teacher(s) he may be represented at all levels of the grievance procedure by himself, or themselves or at his or their option, by a representative selected or approved by the Association. When an aggrieved person is a teacher(s) and is represented by himself, a representative of the Association shall be entitled to be present and to state the views of the Association. The aggrieved person, Board and school administration shall have the right to have present consultants and/or advisors of their choice. However, the Board shall not be responsible for the salaries of the consultant and advisor of the aggrieved person.

3. TERMINATION OF GRIEVANCES

Grievances appealed according to the grievance procedure of this Agreement shall terminate, and be deemed to be concluded after a decision is rendered at Level 4 in the following cases:

1. Any grievance occasioned by the failure of the Board to rehire a non-tenure teacher.
2. Any grievance occasioned by appointment of a teacher to or lack of appointment to, or retention of a teacher in or lack of retention in any position for which tenure is either not possible or not required.
3. Any rule or regulation of the State Commission of Education made pursuant to his rule making powers. However, this provision shall not apply to the misinterpretation, misapplication or violation of such rules or regulations.
4. Any matter which according to law is beyond the scope of Board authority.
5. Any procedure that is outlined and defined in Title 18A.
6. Any grievance for which a method is prescribed by law for resolving said grievance.

4. MISCELLANEOUS

1. Nothing in this grievance procedure shall be construed as limiting the right of any teacher having a potential problem to discuss the matter informally with any appropriate member of the school administration and having the problem adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this agreement.

2. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

3. Failure at any step of this grievance procedure to communicate the decision on a grievance within the specified time limits shall allow the aggrieved person to proceed to the next level permitted. Failure at any step of this procedure to appeal a grievance to the next step permitted within the specified time limit, shall be deemed to be acceptance of the decision rendered at that step.

4. It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

5. It shall be the general practice to process grievances during times which do not interfere with assigned duties of teachers provided however, in the event the Board and the fact-finder agree to hold the proceedings during regular working hours, an aggrieved person and his representative participating in any level of the grievance procedure, with any representative of the Board, shall be released from his assigned duties for that purpose without loss of salary.

6. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly, by the superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

7. All documents, communications, and records, dealing with the processing of a grievance shall be filed in a separate grievance folder and shall not be kept in the personnel folder of any of the participants.

8. A grievance to be considered under this procedure must be initiated by the aggrieved person within thirty (30) school days of the time the aggrieved person knew or should have known of its occurrence.

ARTICLE V

ARTICLE VI

WORKING HOURS AND WORK WEEK

1. As professionals, teachers are required to devote to their assignments the time necessary to meet their responsibilities. These responsibilities include:

- a. Careful daily preparation after the normal work day, if necessary.
- b. Attendance at staff meetings and, whenever appropriate,
- c. Participation in school activities such as; attendance at one open house per year, field trips, and public performances of children in plays, concerts, athletic activities, graduation and dances.

However, nothing contained herein prohibits or limits the right of the Board from assigning the extra duties normally associated with the teaching profession. Such assignments shall be distributed equitably: be appropriate as to hours and number of assignments; such assignments must be relative to the school program.

2. The normal in-school work day, not including normal and traditional extra-curricular activities of the teaching profession, shall consist of seven (7) hours. Teachers shall be at their assigned stations, as designated by the principal or his designee, at least twenty five (25) minutes before the opening of the pupils' school day and shall remain at least twenty five (25) minutes after the close of the pupils' school day. Fridays and days preceeding school holidays the departure time may be reduced to fifteen (15) minutes or after all scheduled busses have departed, whichever is the later. All teachers will indicate their presence in their building by signing in and signing out.

3. Teachers assigned to normal and traditional extra-curricular activities associated with the teaching profession, will carry out these assignments outside the normal work day if requested by the administration. Assignments will be compensated for as specified in the article of this Agreement entitled "Professional Compensation". Assignments not listed under the "Professional Compensation" article will not receive extra compensation. Teachers volunteering, or, in the case of emergency, assigned by the superintendent to traditional extra curricular activities associated with the teaching profession, will fulfill said assignments based on existing procedures of operations.

4. Teachers shall have a daily duty free lunch period of thirty (30) minutes.

5. Teachers may leave their building during their duty free lunch period without requesting permission providing they sign out before leaving and sign in upon returning. It is understood that teachers are to be at their assigned stations promptly upon completion of their duty free lunch period.

6. Teachers may be required to remain after the end of the normal work day without additional compensation once a week or, additionally in case of emergency, for the purpose of attending professional meetings as requested by the superintendent or building principal. The duration of each such meeting will be no more than sixty (60) minutes. An agenda must be given to teachers one school day before meetings, except in an emergency. Teachers may have the opportunity to suggest items for the agenda if submitted three (3) school days before the meeting, except in an emergency.

7. a. A building principal and the superintendent may, at their discretion, authorize, in case of emergency, the release of a teacher before the end of the normal teacher in-school work day without loss of compensation to the teacher provided that there are sufficient teachers available, in the judgement of the building principal and superintendent, to adequately staff the school.

b. A building principal or his designee may, at his discretion, authorize a teacher to leave 10 minutes after the close of the pupil's school day without loss of compensation to the teacher to permit the teacher to attend professionally related courses or workshops providing that there are sufficient teachers available, in the judgement of the building principal or his designee, to adequately staff the school.

Decisions by a building principal, his designee, or the superintendent to authorize release of a teacher according to paragraph (a) and (b) of this Article will not be subject to the grievance procedure of Article IV.

ARTICLE VII

TEACHER ASSIGNMENTS

1. The superintendent has the right to assign all personnel to their specific positions as necessitated by the requirements of the school system. The superintendent shall give notice of assignments to teachers by June 1st, except in cases of emergency (at such time, emergency will be defined). Whenever possible, all involved teachers shall be advised of the introduction of new text.

Any teacher desiring a change in grade assignment or transfer, relative to summer vacation, shall file said written request by June 15th with the superintendent.
4. The parties recognize that changes in grade assignments in the elementary schools, changes in subject assignments and transfers between schools may be necessary. While the right of determination to assign or transfer a teacher is vested in the Board, the administration will not, in any case, assign or transfer a teacher without prior discussion with said teacher. Such transfers or changes of assignments shall be on a voluntary basis whenever possible, with teacher competence and teacher preference being considered and seniority of time of service in the Clinton Township School system being honored as equitably as possible.
5. When making involuntary assignments or transfers, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school system and the pupils. Notice of an involuntary transfer or re-assignment shall be given to teachers as soon as practicable.
